2026 Winterfest Championship
December 4-6
Moana Pool

Who is this meet for? Honestly, who isn't this meet for, from Stroke Class through Gold Group? A great first meet for aspiring swimmers wanting to see what a meet is all about. A great meet to do a full, robust prelim schedule and call it a day. A great meet to practice doing prelims and finals. A great meet to suit up and go for a cut. A great meet to practice racing. This year's Winterfest comes at a perfect time, well before high school finals and holidays. Our home pool will be occupied for this event and we will capitalize on the opportunity that this presents. Time once again to step up.

Swimmers, please follow this procedure for entering this meet:

1) The meet sheet is linked on our event page. Read it and come up with a game plan, then talk with Sharon or Nenad for a 2-thumbs-up or a modification or two. ☺

2) Swimmer or parent email Sharon with events/times as soon as possible. Thank you.

3) Zelle, cash, or check (to Lakeridge Swim Team) upon email submission. Payment required for entry to be made. Fees in the Meet Sheet.

4) Thank your parents for their support. I know I do.

GO, LAKERIDGE SWIM TEAM!
