Parent Code of Conduct

(Adapted from USA Swimming Code of Conduct: Parent)

The purpose of a code of conduct for parents is to establish consistent expectations for behavior by parents. As a parent/guardian, I understand the important growth and developmental support that my child's participation fosters. I also understand that it is essential to provide the coaching staff with respect and the authority to coach the team.

I agree with the following statements:

❑ I will set the right example for our children by demonstrating sportsmanship and showing respect and common courtesy at all times to the team members, coaches, competitors, officials, parents, and all facilities.

❑ I will get involved by volunteering (e.g., timing/officiating meets), supporting at meets, and talking with my child and their coach about their progress.

❑ I will refrain from coaching my child.

❑ I understand that criticizing, name-calling, use of abusive language or gestures directed toward coaches, officials, volunteers, and/or any participating swimmer is unproductive and can be harmful to others.

❑ I will respect the integrity of the officials.

❑ I will direct my concerns first to the head coach. I understand the above expectations and that my failure to adhere to them may result in negative outcomes.
